

Library Recommendation Form

Please forward this form to your librarian, library liaison, or serials review committee.

Dear Librarian/Library Liaison:

I recommend that our library subscribe to *The Plant Cell* and *Plant Physiology*, which are sold as one bundled subscription by the American Society of Plant Biologists.

Online-only access to all content in *The Plant Cell* and *Plant Physiology* for the current calendar year

Online access to all content in *The Plant Cell* and *Plant Physiology* + print

I recommend these journals for the following reason(s):

BENEFIT TO LIBRARY: I confirm the journal's high-quality content will benefit the research/teaching needs of our institution.

MY AFFILIATION: I am a member of the editorial board and/or a regular contributing author, and I strongly support this journal and use it regularly.

MY REFERENCE: I will regularly use this journal and will also recommend articles to colleagues and students.

OTHER: _____

Electronic version —

The Plant Cell: ISSN 1531-298X;
Plant Physiology: ISSN 1532-2548

Print version —

The Plant Cell: ISSN 1040-4651;
Plant Physiology: ISSN 0032-0889

Please include these journals in your next serials review with my recommendation to acquire them for our institution. Thank you.

► Information for Libraries:

The Plant Cell and *Plant Physiology* are published monthly, 12 times per year. Both journals publish new articles online twice weekly, making the articles available up to eight weeks before they appear in a print edition. The online journals are the journals of record. *The Plant Cell* and *Plant Physiology* are sold together as one subscription.

More information about *The Plant Cell* and *Plant Physiology* subscription pricing can be found online at www.aspb.org/librarians
